

The morning in Kyiv. To see the city waking up. To make the first sip of a sparkling wine or a coffee. To feel the scent of fresh pastries. To spread freshly cooked butter, caviar or pate on a bread. To order poached-eggs with Gravlax salmon and asparagus or granola with a homemade yogurt. To bite and eat a still hot cinnamon roll. That's how I imagine the usual morning in Chicken Kyiv.

KYIV BREAKFAST SET

128 UAH 19 kop.
